Re: SUP No. 2011-010 Final Review

Dear Mr. and Mrs. Taormina:

On May 21, 2012, the Storey County Board of Commissioners approved Special Use Permit (SUP) No. 2011-010 pursuant to the Agreement between you and Storey County in the United States District Court, District of Nevada (Case 3:11-cv-00645-LRH-VPC). The Agreement contained Conditions of SUP Approval for the amateur radio antenna facility associated with the SUP (enclosed).

On August 13, 2013, I reviewed the SUP Conditions, made an on-site visual assessment of the amateur radio antenna facility, and reviewed Building Inspector Shannon Gardner's final inspection reports of 9/27/12 thru 7/18/13. Accordingly, said facility appears to comply with the Conditions of SUP Approval.

Please feel free to contact us if you have any further questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Austin Osborne", is written over a horizontal line.
